Members of the L6 Form team will be in the Chapel from 9.00 a.m. to distribute the results envelope to each student. **A meeting for all Lower Sixth students and any parents who are able to attend will be held at 10.30 a.m. on 15 August in the Chapel of Unity** to give advice about course changes and other issues. Following this meeting, a system of appointments will be employed in an attempt to reduce any unnecessary delay in dealing with students who need to be interviewed as a matter of urgency. These appointments will be available on Thursday 15 August and, if necessary, Friday 16 August. Students will receive a notification inside their results envelope if they are required for an urgent appointment.

Students who have not achieved a minimum of a **grade D** in a subject which they have chosen to continue to A2 **must** make an appointment to see a member of the Careers Service. Appointments will be available with members of the Careers Service on **Thursday 15 August from 11.00 a.m. in the Whitla Hall**, for students with change of subject enquiries. Further details of the range of post-results services available will be provided in the results envelopes.
