

**JUNIOR SCHOOL**  
**SUMMER EXAMINATION REVISION 2019**  
**FORM 2**

**ENGLISH**

There are three skill areas: speaking and listening, reading and writing.

The work you do throughout the spring and summer terms accounts for 60% of your examination mark as follows:

<b>Speaking and listening:</b>	Group discussion	20%
<b>Writing:</b>	Functional writing	20%
<b>Exercise book upkeep:</b>	Consistency and quality of work produced for classwork and homework.	20%

The examination format is as follows:

<b>Examination:</b>	1 hour	
<b>Reading task</b>	Non-Fiction comprehension	40%

There is emphasis on using the PEE (Point, evidence, explanation) format to:

- Structure your written work
- Develop your response to reading

You will also have done a structured spelling programme throughout the year.

To help you do this:

- Look carefully over the work you have done throughout the year and identify any problems you have. For example, spelling, grammar, punctuation, paragraphing.
- Talk to your teacher and/or use a textbook or notes to help you tackle these problems.
- Make full use of opportunities to practise examination techniques in class.
- Go over this work and assess what you have done well and how you could improve.

**GEOGRAPHY**

**Examination:** 1 hour

**Topic 1: Weather**

**Coursework: 25% is allocated to your Hurricanes Project, 5% to Back to Basics.**

Pupils should learn

- Key ideas and terms from textbook
- How to use weather symbols

**Topic 2: Rocks and Coasts**

**Coursework: 25% is allocated to your Ballintoy Fieldwork report, 5% to Back to Basics.**

Pupils should learn

- The basic geology of Northern Ireland
- The rock cycle
- Weathering and erosion processes
- The main rock groups
- Processes and landforms of coastal erosion

Other graphical and mapping skills practiced throughout these topics will also be assessed in the examination. **Pupils should bring the correct materials** (e.g. pencil, rubber, ruler, colouring pencils) to ensure that they can complete these tasks.

## **HISTORY**

**Examination:**

1 hour 80% + (term assessment 20%)

**Format:**

1 compulsory sourcework question and a mixture of short questions and paragraph answers.

Questions will be taken from the list of topics below

**Revise only work from terms 2 & 3, from notes, handouts and the textbook**

**Revision:**

The origins of the slave trade (textbook pages 2-5)

Slaves' experiences from capture in Africa to auction in the New World, including the 'Middle Passage' (textbook pages 6-11)

Life on the Plantations (textbook pages 12-15)

The campaign for Civil Rights in the USA from the 1950s (textbook chapters 4-5)

**Revision Tips:**

1. First read each topic using your own notes and the relevant pages in the textbook.
2. Then write down the key points for each topic.
3. You are now ready to learn the information.
4. Practise writing paragraph answers. Pay attention to organization, grammar and detail.
5. Review your sourcework technique and follow the guidance provided by your teacher.

## **HOME ECONOMICS**

**Examination:**

Spelling assessment (10%)

Practical assessment - Apple Crumble (30%)

Written Examination (60%)

**Format of written paper:**

50 minutes

Recall and data response type questions

Short answers and paragraphs

**Work to be covered:**

Booklet 1, 2 & 3

**Revise:**

Revise all booklets thoroughly

Make notes on each topic

Learn key words at front of booklet

Recipes do not need to be learnt but knowing reasons for choice of ingredients may be useful.

**Examination tips:**

Look at the marks awarded for each question for example 5 marks you need to give 5 points.

Fill the available space for each question.

Look for keywords in the question such as 'discuss', 'explain' or 'evaluate.'

## LATIN

### **Examination structure:**

Vocabulary (continuous assessment from January onwards)	10%
Examination paper (translation, comprehension and background) (1 hour 15 minutes)	90%

### **Revision:**

All grammar from Stages 1-14 of the *Cambridge Latin Course*

Vocabulary from Stages 1-14 of the *Cambridge Latin Course* as given on the list supplied in advance.

Stage 13 background information (pp. 16-21)

Use [www.cambridgescp.com](http://www.cambridgescp.com) for vocabulary and translation practice and look at the grammar information on Fronter.

## MATHEMATICS

Examination format: Two one hour papers, one calculator, one non-calculator.

All work covered in Form 2 will be tested. Your examination will make up 100% of your final mark.

### **Revision tips:**

*Use your Revision Sheets and Success Criteria to be sure that you have a good grasp of each topic.* For copies of these, solutions and some helpful resources you can visit <http://www.c2kschools.net/> Sign in, click on 'Fronter' and go to the 'Form 2 revision and support materials course.' Some video examples can be found in the Form 2 playlist of the MCB Maths Department YouTube channel (or scan the QR code below)

Learn any rules or methods. Use any worked examples in your notes or workbooks to help you. Practise by working through the exercises that you have previously done in class.

Make sure you have a go at the past papers which are in the Fronter course.

## MODERN LANGUAGES

<b>Examination format:</b>	Speaking: tested in class before main examinations	50%
	Writing: tested during examination week.	50%

**Revision:** Revision of vocabulary and grammar patterns.

## **RUSSIAN**

**Reading paper:** 30 minutes  
**Writing paper:** 30 minutes  
**Speaking:** in class  
**Listening:** in class

**Topics:** All vocabulary, exercises to revise from Iskra 1 Units 1-4

### **Special emphasis on the following:**

Transport  
Directions  
Your town  
Your hobbies  
Weather  
Numbers 1-100  
Personal information  
Seasons  
House/furniture  
Free time (hobbies)

## **MUSIC**

There is a short examination in class time and personal assessments in the Summer term, including composition. Each pupil will play a recorder test plus a piece/song of their own choice.

### **Revision:**

Practise recorder on a regular basis and practise note reading skills and speed of playing. Revise notes on the Baroque period. A revision sheet will be provided for the written test but it is also available to download on Fronter.

## **RELIGIOUS EDUCATION**

**Length of exam:** 45 minutes  
**Type of questions:** Short answers, short paragraphs and longer paragraphs.  
**What to learn:** Learn all your notes on Judaism paying careful attention to detail.  
Holy week and Easter - revise everything on the worksheet  
Morality - self-image, created in the image of God.

**Coursework:** 'Never Again' poster (worth 10%)  
Homework assignment on Judaism (worth 10%)

**Revision:** Learn the notes in your notebook very carefully, paying attention to detail. Make sure you understand the Bible verses studied in class for the Morality section.

## SCIENCE

Examination: 1 hour

The examination paper will consist of a number of short and long questions. The examination accounts for 70% of the summer mark. The remaining 30% is based on continuous assessment.

### What you will need to revise:

Revise **ALL** Form 2 work

- UNIT B2/1 Food, Glorious Food
- UNIT P2/2 Using electricity
- UNIT C2/1 Chemical change
- UNIT P2/1 Light in all its many colours
- UNIT C2/2 Chemical Analysis
- UNIT B2/2 Interdependence of living organisms  
(Your teacher will tell you how much of this material you need to learn).

### Revision Tips:

At the end of each unit booklet are lists of terms and skills you will be examined on. Make revision notes and test your understanding by re-doing end of unit class tests. Get someone at home to ask you questions (refer them to the end of each booklet). Plan your final revision over a week (one unit per day). You will not be able to revise a year's work the night before the exam. Parts of the course you are weak on should be revised twice.

## TECHNOLOGY

Examination: 1 hour

Examination Content: Topics from throughout the year. These include:

- Electronics (details of components and circuits from the Desk light booklet)
- Marking out
- The Design Process
- Health & Safety
- Various manufacturing techniques and processes used during the year
- Product Design, product analysis, ACCESS FM, specification writing etc.  
(Boom box project booklet)
- Aesthetics, Ergonomics etc.

Each booklet for the course is available on shared resources.

There will be a design based question on the examination in addition to short answer type questions.

The examination accounts for **50%** of the summer grade and will be based on the entire year's work. The remaining **50%** is based on continuous assessment.

### Revision Tips:

Start your revision with plenty of time to spare. Make revision notes from your booklets. Make sure you bring a ruler, sharp pencils and some colours to the examination with you. Take care with the design questions.
