

## Conditions of Use of Images

### Consent for Use of Images

Methodist College may wish to take/use a photograph/video/webcam recording of your child for display, promotional, instructional or other purposes related to the activities of the College. Such images may appear in College publications, in a PowerPoint presentation, as part of a display, in the local media or on the College website.

To comply with the Data Protection Act 1998, the College requires your permission before any such images of your child are recorded. The images taken, or any other information provided by you, will not be used for any other purpose than those indicated on this form. Please note that images produced on the website can be seen throughout the world, and not just in the United Kingdom, where UK law applies. The conditions for use of these images are as follows:

### Conditions of Use of Images

1. This form is valid from the date of signing. (You may withdraw your consent at any time by making your request in writing)
2. We will not include details or full names (which means first name and surname) of any person in an image on our website without good reason and only with your express consent. The College reserves the right to include full names in other College publications.
3. We will not include personal e-mail or postal addresses, or telephone or fax numbers on our website or in printed publications except with your express consent.
4. We may use group images with very general labels, such as “Methodist College netballers on tour”.
5. We will only use images of children who are suitably dressed, to reduce the risk of such images being used inappropriately.
