NOTES

- (1) You will receive details of the amount payable in respect of the above fees and contributions, together with an explanation of the payment options that are available, at the beginning of the academic year or at the time of a subsequent admission. Other charges for costs incurred, such as special tuition fees, will be notified during the year and are payable on demand.
- (2) Discounts for Preparatory Department Tuition fees are only available in respect of those children where full Preparatory Department Tuition fees are currently being paid in respect of a first sibling.
- (3) A parent or guardian who wishes to withdraw a child must give at least one full term's notice in writing, otherwise fees for one term in lieu of notice will be charged.
- (4) The Board of Governors requires the withdrawal of any pupil for whom fees are not paid, following due consideration by the College Principal.
- (5) Contributions to the Annual College Fund are not requested in respect of any children where contributions are currently being requested in respect of two siblings.
