## Notes

- GHJKLMNPQ refers to your core teaching set i.e. the class you are in for Maths, English and RE.
- RED CAPITALS refer to subject groups as per your timetable. Each group has been allocated 3 30-minute H/W's per fortnight (Not all subjects are using this full allocation, for clarification consult your SUBJECT TEACHER/HOD).
- English (ENG) and Maths (MATHS) have been allocated $4 \mathrm{H} /$ W's per fortnight.
- RE has been allocated $1 \mathrm{H} / \mathrm{W}$ per fortnight.
- 2 Hours/ night is the minimum time recommended to be spent per evening. If you have finished your $\mathrm{H} / \mathrm{W}$, then you should revise/work on preparation for CAs.
