

HOMEWORK REQUIREMENTS 2019-2020

In the Northern Ireland Revised Curriculum, taught in Forms 1-3 in the College, there is a strong emphasis on pupils taking responsibility for their own learning. This independent learning should involve each pupil reinforcing what has been done in class or doing their own research to enhance understanding.

Parents should be aware that in all subjects, homeworks may on occasion be extended over several nights.

Please check the homework diary regularly. Details of Winter Assessments will follow later in September.
